**Subject:** Re: Tentative - Discuss w/ Shell OOC model v. 2.5/3.0

The meeting is confirmed.

On Jan 27, 2015, at 2:40 PM, Seyfried, Erin <[Seyfried.Erin@epa.gov](mailto:Seyfried.Erin@epa.gov)> wrote:

Hey – is this meeting still “tentative” or has it been confirmed with Shell?

-----Original Appointment-----

**From:** Shaw, Hanh  
**Sent:** Thursday, January 22, 2015 2:41 PM  
**To:** Shaw, Hanh; Cope, Ben; Seyfried, Erin  
**Cc:** Cool, Richard; Mayers, Timothy; Latier, Andrea  
**Subject:** Tentative - Discuss w/ Shell OOC model v. 2.5/3.0  
**When:** Wednesday, January 28, 2015 2:30 PM-3:30 PM (UTC-08:00) Pacific Time (US & Canada).  
**Where:** Non-Responsive R10Sea-Room-14Elwha/R10-Rooms-Service-Center

I received a call from Greg Horner this morning letting me know that Shell has sent a CD (via overnight mail) containing the NOI application package for the Chukchi exploration wells planned for 2015. The purpose of this call is to discuss the work Shell had done to compare the OOC model version 3.0 vs. 2.5.

Please hold this date.
